

India News

Loving greetings to you. Hope this finds you in good health. Thank you so much for your prayer in standing with us. I thought you would like to hear what is happening in India. Here is a small report.

Month of June has been a time of great tension for India especially in the western Himalaya area, as flash floods destroyed thousands of people's lives, vehicles and property. Many miles of roads were washed out by this outrageous flood. There was nothing that anybody could do about it. The authorities only helplessly watched. Still heavy rains are pouring down. Today many places in Delhi were blocked because of water logging.

We are starting a church in Calcutta. We sent our evangelists to Calcutta for a month of survey. Along with the Church planting, we will be establishing a slum School also. Calcutta Slums are one of the worst slums in the world. Please pray for God's guidance in this matter.

Slum School Project is progressing well with the help of God. Hundreds of Slum Children are blessed because of this project. There are many challenges in running this project. There is the constant fear of demolition from the Govt. authorities. You never know when the Delhi Municipal Corporation will come and demolish or remove the Slum. Yes, With this background, we are reaching unto these underprivileged and destitute children with hope and mercy.

The Poor Feeding Project is going on well. More than 1500 children are fed every day. We thank the Lord for this opportunity to feed these poor Children with at least one hot meal a day. Our prayers are that they will find Jesus as the anchor of life in the days to come.

In Mangolpuri, which is in the west of Delhi, we are constructing another three rooms to be added into our Slum School Project. This will give us some breathing space. The kitchen will be separate where we can store the food materials also. Right now one kitchen is catering to the needs of 600 Slum Children in this area.

The thirty Women Health Workers are faithfully visiting thousands of homes in the slums area helping the needy people. Many wonderful stories are coming, how pregnant mothers on a dangerous course, have been miraculously helped by our Health Workers. It is our sincere prayer that all the thirty of them will be saved and then their husbands & families.

Right now 5 Sewing Schools are running. Many poor women and girls are benefitted by this project. This is our desire to start one Sewing School in all the 28 States of India. The purpose of these Sewing Schools is to equip the women and girls to stand in their own legs in spite of the cruelty and poverty in their families.

In August, we are planting a Church in Calcutta, West Bengal State, one in Gurgaon, Haryana State and one in Karol Bagh, the Center of Delhi. We have established another two Churches in the Nation of Nepal also.

There are 27 Students in our Bible School now both Correspondence and regular students. They are being trained to plant Churches once they graduate from the School. Recently they had been to Himalayas for Mission Trip and many people found Jesus because of our Students' ministry there. We are planning to send them for another 10 days of Mission Trip to the Villages in the west side of the state of Uttar Pradesh. This state has 1,30,000 Villages. 160 Million people live in this State-one of the biggest states of India.

We are running with the Vision of planting one Church in every District Of India. India has a total of 626 Districts spread in all e 28 States and 7 Union Territories.

We are also running with the Vision of reaching 30,000 Slum, Village and Tribal Children with the love of God. Right now we are helping hundreds of poor Children. Nothing is too hard for the Lord. All things are possible to him that believeth. The poorest man is one without a vision.

Thank you so much for standing with us in reaching this nation with the love and mercy of God. Your prayers and sacrifice have brought us this far. May God richly bless you and continue to make you a blessing to thousands.

With love and prayers

Jey and Lizy

Victory Churches of India.
